

Home

navbar that appears transparent first and colors upon scroll

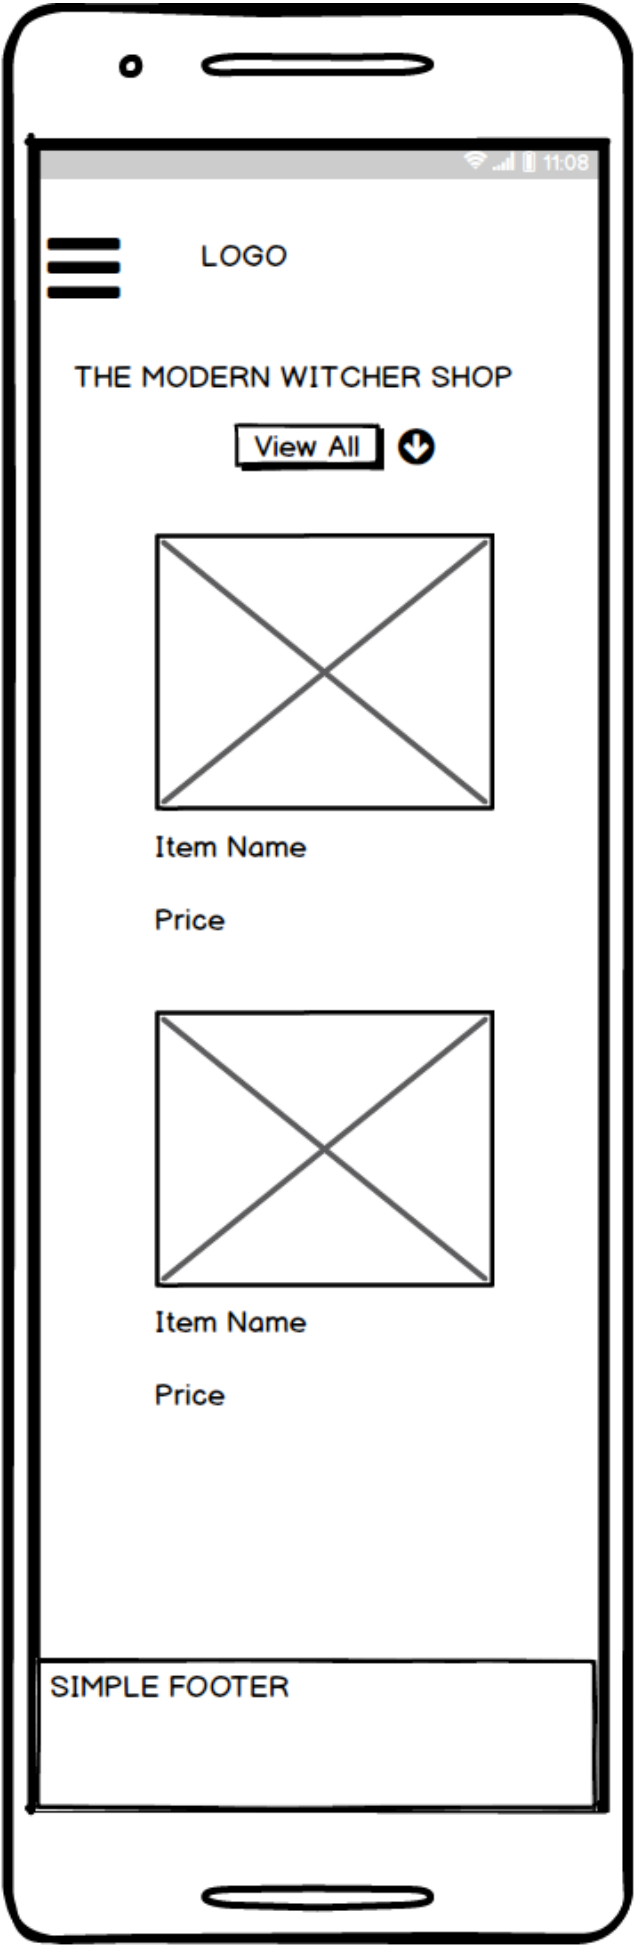

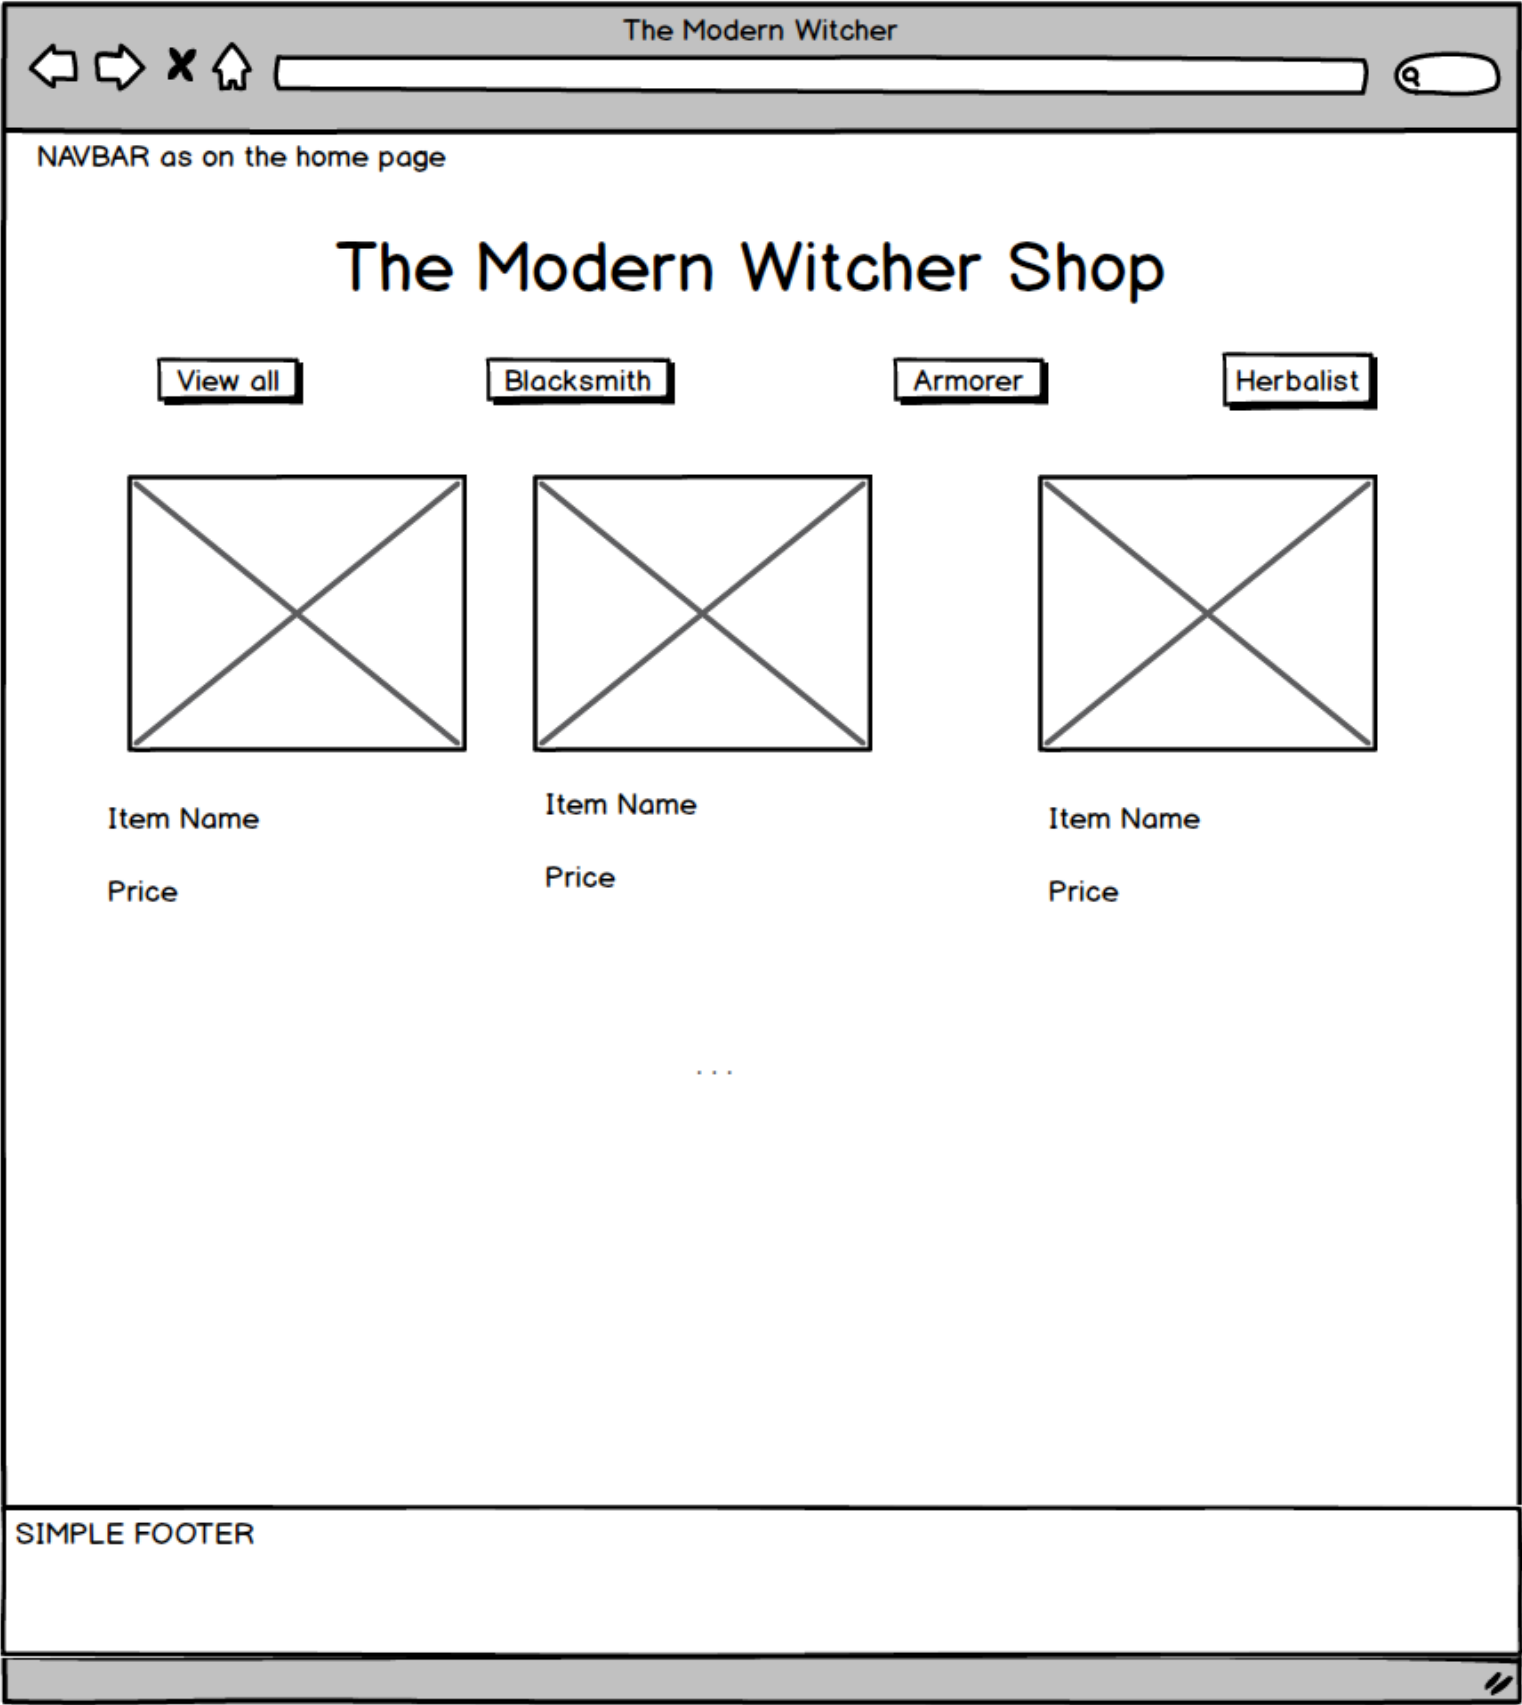

- Simple landing page image, tag line
- About
- featured items (static)
- CTA button

Shop

simple tab-based
search system

- categories are represented as shopkeepers' professions, as in the game
- switching between tabs shows a list of available items within that category

Clicking on the arrow in
mobile version reveals
the list of categories

Product Listing

individual product listing

- return button at the top of the page
- detailed information on the selected product
- view reviews box, closed by default, expands upon click
- related listings

SIMPLE FOOTER

Login/Register

if the user is not logged in when they click on the account icon, they are directed to the login/register page.

- two-tab based login/register page
- since the design is identical, there is no mobile mockup.
- since the register tab is almost identical to the login tab, it has not been included in this mockup.
